Standard Motor Products Announces Standard Pro Training's 2017 On-Demand Training Schedule

NEW YORK, N.Y., December 15, 2016 - Standard Motor Products, Inc. (SMP) announces the schedule for its Standard® Pro Training 2017 On-Demand training platform. Developed with input from working master technicians, the on-demand classes give technicians the ability to train anytime, anywhere. This year's class lineup features relevant topics such as variable valve timing. Here's the full schedule:

- **January:** Variable Valve Timing Fundamentals
- **February:** GM 4.8, 5.3, and 6.0L Tips and Tricks
- **March:** Wiring Diagram Fundamentals
- **April:** Modern Valve Actuation Systems
- **May:** ASE Test Prep - A8 Engine Performance
- **June:** Key Off Draw Diagnosis
- **July:** Misfire Diagnostic Fundamentals
- **August:** Basic Lab Scope Connection and Setup
- **September:** Voltmeter Fundamentals
- **October:** VW and Audi Scan Tool Tips
- **November:** More Electrical Puzzles Part II
- **December:** Brain Teasers: Diagnostic Puzzles from the Field Part III

Commenting on the release, Ryan Kooiman, Director of Training, SMP, stated, "We're excited to expand upon our award-winning Standard Pro Training On-Demand offering, which gives technicians access to even more professional automotive training."
